### Washington, My Washington

Washington, My Washington  
The Crimson and the Gray;  
’Tis the songs of memory  
That we sing today;  
When the sad hours come to you  
And sorrows ’round you play,  
Just sing the songs of Washington  
The Crimson and the Gray,  
Just sing the songs of Washington  
The Crimson and the Gray.
Commencement Mission Statement

Commencement at Washington State University represents the culmination of a student's academic achievement. It is a time for celebration and reflection for students, families, faculty, and staff. It brings together the campus community to share the joy of the accomplished goals of our students.

The commencement ceremony at Washington State University serves a dual purpose: to mark a point of achievement, thus completing a chapter in the lives of students and those who support them, and to encourage continued pursuit of learning, personal fulfillment, and engagement with their local and worldwide communities.

Today represents an impressive milestone in your life and in your academic career. I would like to extend my heartiest congratulations to you on your attainment of this goal.

At Washington State University, we strongly believe that we provide the tools necessary to help our students succeed. However, we also recognize that each student ultimately determines his or her own path. It is your hard work, determination, and persistence that have brought you to this day. You, your family, and your friends should be immensely proud of this achievement.

In the years ahead, I know you will often reflect upon what you have experienced here at WSU. Graduation opens the door for you to put to use what you have learned in your classes, laboratories, internships, and campus life. You now have the opportunity to make a difference in the world. Take advantage of it.

Again, congratulations. I wish you every success and trust that you will remain connected to WSU, your alma mater. You will always be a member of the loyal Cougar family.

It is an honor to preside at your commencement. I look forward to shaking your hand and wishing you well after you receive your diploma cover.

Elson S. Floyd, Ph.D.
President, Washington State University
President’s Ceremonial Stole

Presented to President Elson S. Floyd during his first commencement ceremony at Washington State University in fall 2007, the ceremonial stole signifies the ethnic diversity the University seeks in all its endeavors and displays a dynamic visual presentation. Researched and designed by faculty member Linda Arthur Bradley with contributions from apparel, merchandising, design, and textiles students, the stole is made of textiles from locations including Ecuador, India, Scotland, and Japan. Many came from personal collections of Bradley or her colleagues, some were available commercially, and four were hand-woven by fiber artists specifically for the stole.

Master Salish weaver Susan Pavel hand-spun and wove two pieces of traditional Indian design. Other custom pieces include a Hawaiian hand appliqué by Charlotte Hughes, an American coverlet sampler by Cynthia Hosek, and embroidered pieces representing the Nez Perce tradition by Ann MacCormack.

President’s Chain of Office

During commencement ceremonies and other special occasions, the president of Washington State University wears the President’s Chain of Office. The medallion features the WSU shield with Cougar head, and the links are engraved with the names and dates of service for each past WSU president, starting with George Lilley, who served from 1891 to 1892, and ending with V. Lane Rawlins, who served from 2000 to 2007. Blank links allow engraving of names and service years for future presidents.

The Chain of Office was created at the request of V. Lane Rawlins, who became president of WSU on June 8, 2000. He wore it for the first time during his inauguration on March 28, 2001.
Dear 2012 Graduates,

Congratulations are certainly in order. You chose to cross a threshold and undergo a transformative experience here at Washington State University. The journey contained trials and ordeals that you endured, and you made it with the help of others including your family and friends. You achieved the goal of your quest—not just a degree but an experience that prepares you to excel in a global society. Today, commencement is not an end, but a beginning—a start of something new. You are crossing another threshold. Remember what you learned here. You are now responsible to use it and share it as you live the rest of your lives, and to help others just as you were helped.

Go COUGS!

Chair, Faculty Senate
May 2012

Graduates,

We applaud your achievements! On behalf of the administrative professionals at Washington State University, I would like to commend each of you on this significant accomplishment. Your discipline and hard work have not only instilled an education, but have shaped the individual you are today. For some of us, this day is extra special because we have had the opportunity to be your mothers and fathers away from home. Like your parents, we are proud of you.

For some of you, graduation marks the end of your academic career; for others, it is a stepping stone for additional training. Regardless of your future path, there will be many opportunities to build on today’s achievement. I wish each of you success in your future endeavors.

Welcome to the ranks of Cougar Alumni, and Go COUGS!

Denise Faerber
Chair, Administrative Professional Advisory Council
May 2012
To the Graduates of the Class of 2012,
On behalf of the Associated Students of Washington State University and the Graduate and Professional Students Association, we would like to sincerely congratulate you on your recent graduation from Washington State University. It is an honor to recognize the culmination of your academic journey as you transition from a student to an alumnus in the Cougar family.

We applaud you on reaching this tremendous milestone in your life. You’ve traveled a long road to get here, and now your hard work has earned you a valuable degree from the finest university in the nation. You have every right to be proud, but be humble. Please do not forget to acknowledge and thank the individuals who have supported and guided you through your academic career. It is important that on commencement day, we celebrate both your achievements and the individuals who have contributed to your success.

Commencement, the most joyous moment of your academic journey, marks individual and collective achievement, new beginnings, and hope for the future. Regardless of your course of study, the knowledge that you have gained at Washington State University will allow you to envision both endless possibilities and many more daunting terrains that you can and will conquer.

While you may feel as if you are being ejected into a world of uncertainty, we have every confidence that just as you have overcome numerous hurdles to this point, you will find your way through the challenges that you encounter in the months and years ahead. Throughout your years at Washington State University, whether you realize it or not, you have developed the resilient characteristics of a WSU Cougar. Use these strengths to achieve your post-college aspirations.

As you move forth, remember that Washington State University is your home. We encourage you to remain engaged with the campus and Cougar community. Stay connected with friends and faculty who contributed to your enriching experience at Washington State University. Continue to come to annual Cougar events when your schedule permits. Lastly, wear all your Cougar apparel on a regular basis to never let the color crimson fade.

Commencement represents both a completion and a beginning. Once again, congratulations on the academic completion. ASWSU and GPSA wish you the best in your new beginning. GO COUGS!

ACADEMIC REGALIA

Academic regalia arose through evolution and modification of the robes worn by medieval students, who were usually clerics in the cathedral schools and monasteries established by the church. As early as 1321, a medieval statute required that all doctors, licentiates, and bachelors wear academic gowns and hoods. Gowns were necessary for warmth in the unheated medieval buildings, and hoods may have been designed to cover tonsured heads. Today, immediately after receiving a charter, new institutions adopt a distinctive design for academic attire expressive of their individuality.

On May 26, 1895, a group of institutional representatives met at Columbia University to establish a uniform code for academic regalia in this country.

The approved academic attire for all graduates is composed of a cap and gown. For master’s and doctoral graduates, a hood is included. The basic article of attire is the gown, usually black in color, and similar in design for all degrees with the sleeves being the principal indicator of degree level. Gowns for those graduating with a bachelor’s degree have pointed sleeves; the sleeves on master’s gowns are away at the front; and doctoral gowns have round, bell-shaped sleeves. Bachelor’s and master’s gowns are untrimmed while doctoral gowns feature distinctive velvet facing down the front and three velvet bars on each sleeve.

The hood has become the colorful standard-bearer of academic symbolism. By examining the hood, an informed observer should be able to identify the degree level, the academic field of study in which the degree was earned, and the institution that conferred the degree. The hood is made of the same material as the gown. Hood length varies according to degree: bachelor’s—three feet, master’s—three and a half feet, and doctor’s—four feet in length and has panels at the sides. The color or colors of the hood lining indicate the institution that conferred the degree (crimson and gray for WSU). The hood is trimmed or edged in a border of velvet either two, three, or five inches in width for the respective degrees. The border color represents the faculty or field of study in which the degree was awarded. At WSU, bachelor’s degree candidates do not wear hoods.

The approved cap of the academic costume is the mortarboard or Oxford cap—a stiff board nine inches square, placed on a soft cap and joined in a pointed design in front and back. The color is always that of the gown and uniformly black for the four-year degrees. The use of velvet has been reserved for the cap for the doctor’s degree. A silk cord with a tassel made of many threads is attached to a button in the center of the board.

WSU is debuting a distinctive commencement gown for students earning Ph.D. and Ed.D. degrees. The gown is crimson with gunmetal-gray velvet accents and a matching velvet tam. The rental is available this spring. Custom gowns with additional embellishments will be available for purchase later this summer.

For more on academic regalia visit www.acenet.edu/resources/regalia.

The committee of the American Council on Education on its “Academic Costume Code” states the following:

For all academic purposes—including trimming of doctor’s gowns, edging of hoods, and tassels of caps—the colors associated with the different subjects are as follows:

- Agriculture: Maize
- Arts, Letters, Humanities: White
- Commerce, Accountancy, Business: Drab
- Communication: Crimson
- Dentistry: Lilac
- Economics: Copper
- Education: Light Blue
- Engineering: Orange
- Fine Arts including Architecture: Brown
- Forestry: Russet
- Home Economics: Maroon
- Law: Purple
- Library Science: Lemon
- Medicine: Green
- Music: Pink
- Nursing: Apricot
- Oratory (Speech): Silver Gray
- Pharmacy: Olive Green
- Philosophy: Dark Blue
- Physical Education: Sage Green
- Public Administration, including Foreign Service: Peacock Blue
- Public Health: Salmon Pink
- Science: Golden Yellow
- Social Work: Citron
- Theology: Scarlet
- Veterinary Medicine: Gray

COMMENCEMENT 2012

Washington State University, on the occasion of its 116th annual spring Commencement, cordially welcomes all those who have come to the Pullman campus to share in ceremonies honoring the graduating class of 2012. To class members, the Class of 2012, the University extends sincere congratulations.

WSU enrolls 27,008 students statewide. This includes 18,803 undergraduates and 3,542 graduate and professional students learning at the Pullman and Spokane campuses or through distance education. At the Tri-Cities and Vancouver campuses, 4,663 undergraduate, graduate, and professional students are enrolled.

Commencement is the special occasion that provides public recognition of students’ academic achievements. The transcript is the official document certifying the successful completion of specific academic requirements. The diploma is mailed after the ceremony.

The first WSU Commencement, held June 24, 1897, recognized eight students being advanced to degrees—three in engineering, one in biology, two in economics, and two in English. This followed a legislative act in 1895 empowering the college to grant the usual academic and honorary degrees and issue diplomas. With the construction of Bryan Hall in 1909, Commencement moved to the well-equipped Bryan Auditorium. Enrollment and the number of degree candidates increased over the years, and Commencement moved to Bohler Gymnasium following its construction in 1928. Following World War II and the burgeoning enrollment created by the return of students receiving veterans’ benefits (G.I. Bill), Commencement was moved outdoors to Rogers Field in the football stadium (1949-1973). Because it was always possible that inclement weather would disrupt the ceremonies, it was necessary to duplicate arrangements in Bohler Gymnasium. However, only twice in those years—1954 and 1963—was it necessary to move the outdoor ceremony indoors. In 1973, with the completion of Beasley Performing Arts Coliseum, Commencement moved indoors permanently.

In 1986, the University’s Commencement Committee recommended decentralizing Commencement to make the event more personal for graduating students. The WSU administration approved, and from 1986 through 1996, an All-University Commencement Assembly was held in the coliseum, and individual college ceremonies took place in the coliseum, Bohler Gymnasium, Bryan Auditorium, Compton Union Building Ballroom, and Hollingbery Fieldhouse. Beginning with the 100th Commencement in May 1996, the college ceremony times were changed to allow some to precede the All-University Assembly. In 1998, due in part to construction in Bohler, the administration approved a Commencement Committee recommendation to hold two ceremonies. Starting in 2000, a three-ceremony format (two ceremonies in the morning and one in the afternoon) was instituted. There was a historic Commencement change during the 2001-

Historical Sketch of the State College of Washington, 1890-1925, by E. A. Bryan
2002 academic year. For the first time, WSU held two Commencements, one during fall semester (December 15, 2001) and the other during spring semester (May 11, 2002).

This is the University’s one hundred and sixteenth spring ceremony. President Elson S. Floyd, WSU’s tenth president, now presides over the ceremonies.

THE UNIVERSITY MACE

The University Mace, a traditional symbol of authority, will lead the processional today. The mace is carried by the chair of the Faculty Senate with an honor guard consisting of the presidents of the undergraduate and graduate and professional student associations. Robert Greenberg (chair elect of the Faculty Senate) carries it today, accompanied by Riley Myklebust, president of the Associated Students of WSU, and Ericka Christensen, president of the Graduate and Professional Student Association of WSU.

Created in 1985, the two-foot-long, nine-pound scepter is cast in silver and bronze and features a globe atop a laurel branch, wrapped in a silver ribbon and inscribed “Washington State University.” According to designer and craftsman Tim Doebler of WSU’s Department of Fine Arts, “the globe represents the universality of education and the quest for knowledge. Laurel crowns were presented to academicians by the ancient Greeks.” The anvil on top of the globe is a symbol of forging and molding education, rather than forcing it upon students.

GRADUATION WITH ACADEMIC HONORS

Students in the class of 2012 who have demonstrated exceptional academic performance may graduate as members of one of the following categories:

SUMMA CUM LAUDE: Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average of 3.90 or better.

MAGNA CUM LAUDE: Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average between 3.70 and 3.89.

CUM LAUDE: Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average between 3.50 and 3.69.

HONORS COLLEGE: Graduates who have participated in the Honors College and satisfied the college’s requirements receive certificates of completion and wear the Honors College Medallion.

HONOR SOCIETIES: Washington State University students may be selected to join, within their disciplines, one or more of 29 honor societies and any of six honor societies across academic disciplines, including one freshman honor society.

These include Alpha Epsilon Rho, Alpha Phi Sigma, Alpha Zeta, Beta Alpha Psi, Beta Gamma Sigma, Gamma Sigma Delta, International Golden Key, Kappa Delta Pi, Kappa Omicron Nu, Mortar Board, Mu Phi, Omicron Chi Gamma, Omicron Delta Epsilon, Omicron Delta Kappa, Phi Alpha Theta, Phi Beta Kappa, Phi Delta Kappa, Phi Kappa Phi, Phi Lambda Upsilon, Phi Sigma Alpha, Phi Sigma Iota, Phi Zeta, Pi Sigma Alpha, Psi Chi, Rho Chi, Rho Nu, Sigma Tau Delta, Sigma Theta Tau International, and Tau Beta Pi.
Washington State University Highlights, 2008–2012

2008

- *Scientific American* named WSU reproductive biologist Patricia A. Hunt one of the top 50 researchers in the world. Her research shows a potential threat to human health posed by bisphenol A (BPA), a component of the polycarbonate plastics used to make food and beverage containers.

- The largest grant in WSU history—$25 million from the Bill & Melinda Gates Foundation—will help construct a $35 million building that is to become the centerpiece of the new WSU School for Global Animal Health.

- In April, pop music icon Elton John performed in two WSU Mom’s Weekend concerts at Beasley Performing Arts Coliseum.

- Named for WSU’s illustrious graduate Edward R. Murrow, the university’s Murrow School of Communication became the Edward R. Murrow College of Communication on July 1. It had long been part of the College of Liberal Arts.

- The initial class of WWAMI (Washington, Wyoming, Alaska, Montana, Idaho) medical program students began classes at a new site, WSU Spokane. WSU’s Pullman campus first had WWAMI students in 1972.

- The newly-renovated Compton Union Building and Martin Stadium opened for fall semester.

- Palouse Ridge Golf Club, an 18-hole championship-level golf course on the WSU campus, officially opened in August. Developed with private funding, the award-winning course is a transformation of the 9-hole WSU Golf Course.

- Washington State University received nearly $156 million in new research grant awards during the 2007–08 fiscal year, an increase of about 16 percent from the previous year.

- Capping a challenging football season, the WSU Cougars, led by head coach Paul Wulff, defeated the Washington Huskies 16-13 in double overtime at Martin Stadium in the Apple Cup game.

- WSU’s KTNW and KCTS 9 Seattle launched V-me, the first 24-hour Spanish-language channel distributed by public television stations.

- Roger O. McClellan, DVM, an expert in toxicology and human health risk analysis, is the 39th recipient of the Regents’ Distinguished Alumnus Award.

- Viji Murali, vice president for information services and chief information officer, was selected as one of the “Premier 100 IT Leaders for 2009” in Computerworld magazine’s December 8 issue.

2009

- In celebration of the 20th annual Festival of Contemporary Art Music at WSU, FOCAM’s 2009 guest composer was WSU music faculty member Charles Argersinger, the festival’s founding director.

- Douglas Epperson, formerly of Iowa State University, began serving as dean of the WSU College of Liberal Arts.

- WSU President Elson S. Floyd taught a graduate seminar in higher education administration this fall. During last spring’s discussions on handling sharply declining state revenues, he decided to teach as he has done as president or vice president at the four other universities he has served.

- Michael D. Griswold, Regents Professor in the School of Molecular Biosciences and dean of the College of Sciences, was the ninth recipient of the WSU Eminent Faculty Award.

- Research teams at WSU were awarded more than $15 million in U.S. Department of Agriculture grants for specialty crops such as tree fruit, wine grapes, and potatoes. They received nearly a third of the $47.3 million awarded nationally, placing them among the top recipients.

- Dr. Dwight Damon, an orthodontic dentistry innovator, is the 40th Regents’ Distinguished Alumnus Award honoree. An outstanding student and basketball and baseball athlete while at WSU, he is recognized internationally for developing the “Damon Bracket,” a dental brace system that transformed the way orthodontists practice. He is a 1962 graduate in zoology.
2010

- Washington State University is ranked 10th among national universities by a prominent sustainability website for its developments in clean technology.
- The WSU Museum of Art, a member of the Washington Art Consortium, shared in an historic gift of Northwest art from the Safeco Insurance collection.
- WSU Pullman has the safest campus among the six public universities and colleges in the state of Washington, a report from StateUniversity.com shows.
- In the aftermath of a devastating January earthquake in Haiti, funds raised in a variety of ways by WSU students, faculty, and staff were donated in support of Haitian relief.
- Total water usage on Washington State University’s Pullman campus in 2009 dropped to a level close to that of 1961, a 2010 announcement said. Reduced water consumption is attributed to a range of water conservation efforts.
- Washington State University’s nationally recognized Honors College celebrated its 50th anniversary. The college is one of the oldest and most respected all-university programs for academically talented students.
- Bill Moos—WSU graduate, former Cougar football player, and former WSU Athletics administrator—was named WSU athletic director, succeeding Jim Sterk, who took the same position at San Diego State University. Moos is a former athletic director at the University of Montana and University of Oregon.
- “Ferdinand’s Lane” is now the name of what was South Fairway Road on the Pullman campus. It leads from Stadium Way to Ferdinand’s Ice Cream Shoppe and the WSU Creamery.
- Pioneer sleep researcher James M. Krueger is the eighth WSU Eminent Faculty Award recipient. He is a Regent’s Professor in Veterinary and Comparative Anatomy, Pharmacology, and Physiology in the College of Veterinary Medicine.
- WSU’s Social and Economic Sciences Research Center celebrated its 40th year. Opening in fall 1970, SESRC provides survey research services to scholars, citizens, and policy makers. It also educates students, faculty, and others about survey methods.
- The Campaign for Washington State University: Because the World Needs Big Ideas begins public phase at kick-off events in Pullman and Seattle. Begun in July 2006, the campaign’s goal is to raise $1 billion by 2015 to coincide with the university’s 125th anniversary.

2011

- WSU sleep research is named one of the top 100 stories of 2010 in the article “Sleep Switch Found in the Brain” in the January-February special issue of Discover magazine.
- The Student Recreation Center celebrates its tenth year of service.
- WSU’s grade on the College Sustainability Report Card issued by the Sustainable Endowments Institute was upgraded to a B+ following a data review.
- Washington State Magazine, WSU’s quarterly publication, is the “Grand Gold” recipient for periodicals in the communication awards of the regional Council for Advancement and Support of Education.
- A group of construction management and architecture students take first place in the Associated Schools of Construction regional student competition.
- Gregory W. Yasinitsky, Regent’s Professor and coordinator of jazz studies in the College of Liberal Arts School of Music, is the tenth recipient of the WSU Eminent Faculty Award.
- On October 5, Washington State University joined state and Spokane community leaders to celebrate the groundbreaking for the Biomedical and Health Sciences Building. The building will house the medical education program jointly administered by WSU and the University of Washington and the WSU College of Pharmacy.
- Legendary actor and comedian Betty White became an honorary Washington State University alumna. WSU Provost Warwick Bayly presented her with a white doctor’s coat at the Washington State Veterinary Medical Association’s (WSVMA) centennial gala in Yakima.
- On November 18, the Board of Regents of Washington State University approved an $80 million project to add premium seating and a new press box on the south side of Martin Stadium.
- On November 30, Mike Leach was named the Cougars’ head football coach. Leach brings a proven record of winning to Pullman, including 10 bowl bids in 10 seasons.
- Sue Clark, Regents professor at Washington State University, was awarded the American Chemical Society (ACS) 2012 Garvan-Olin Medal for outstanding leadership in nuclear chemistry and radiochemistry and ongoing efforts to increase the participation and inclusion of women in science.
- The Board of Regents approved the design for the new Northside Residence Hall, which will be built in the existing parking lot between Regents Hall and Streit Hall. Construction is slated to begin after commencement, with completion expected by fall 2013. The $32.6 million, 300-bed facility will be the second new residence hall to be built on the Pullman campus since the early 1970s.
- Washington grape growers and wine makers made a $7.4 million commitment to support a new Washington State University Wine Science Center.
- Emile C. (Mel) Netzhammer III, who has served as provost and vice president for academic affairs for Keene State College since 2006, was named the new chancellor of Washington State University Vancouver.
- On May 5, 2012, one of best groups of students ever in the history of Washington State University graduated during the 116th annual spring commencement ceremony in Beasley Coliseum.
COMMENCEMENT SPEAKER, 8:00 A.M. CEREMONY

As Washington’s twenty-second governor, Chris Gregoire has been a tireless champion for the people of the state. From proposing reforms to transform our education system into the nation’s best, to major initiatives that streamlined government and made it more efficient, Governor Gregoire has worked hard over two terms to make Washington a great place to raise a family, work, and run a business.

Facing a $2.2 billion shortfall in 2005 when she was sworn in, Governor Gregoire balanced the state’s budget as she expanded health care coverage to low-income children, created an Early Learning Department which will help ensure all kids are prepared to learn when they enter kindergarten, expanded college and university enrollments and the branch campus network, and launched a bold plan to save Puget Sound. In 2007, she proposed, and the voters passed, a constitutionally protected rainy day fund to prepare the state for economic downturns.

Governor Gregoire has asserted uncommon leadership through initiatives to keep costs down and boost service to taxpayers. She authored a package of reforms that will save $1.1 billion over the next four years in the state’s workers’ compensation system. She also sponsored a set of reforms to the unemployment insurance system that saved businesses $300 million in the first year alone.

Governor Gregoire knew we had to look beyond the recession and prepare the state so it would emerge stronger than ever. She proposed investments in the state’s aerospace sector, including funding slots in public universities to educate more engineers so Washington would remain competitive in this vital industry. She improved roads, bridges and ferries which are needed to get workers to the job and products to market. Her innovative Life Sciences Discovery Fund is helping turn cutting-edge research into jobs for the future.

Recognizing healthy families are the backbone of our communities, Governor Gregoire worked to improve the affordability and quality of health care. Her reforms included the use of evidence-based medicine which ensures patients receive health care that works, and expansion of chronic care management to better serve the 5 percent of patients who use 50 percent of health care resources.

Governor Gregoire also has worked for a healthier environment. She brought together environmentalists, local government, sportsmen and women, and tribal and business leaders to restore and preserve the health of Puget Sound. The Puget Sound Partnership is actively implementing an action agenda to protect and restore the Sound by 2020. Her work also has helped the state reduce global warming emissions, lower its dependence on foreign oil, and increase energy production from renewable sources such as wind power.

Chris O’Grady was raised in Auburn, Washington, by her mother, who worked as a short-order cook to support the family. After graduating from Auburn High School, Chris entered the University of Washington, where she earned a teaching certificate and Bachelor of Arts degree in speech and sociology. She met her husband, Mike, in September 1971 when they both worked for the Washington Department of Social and Health Services. Chris received her law degree in 1977 from Gonzaga University. Chris and Mike have two daughters, Courtney and Michelle. Courtney is married to Scott Lindsay, and is an attorney. Michelle is attending law school.
Candidates for Advanced and Professional Degrees

Names in this program include only those who have applied for a May 2012 graduation date. Names are not necessarily representative of those attending the spring commencement ceremony.
Candidates for Advanced Degrees

THE GRADUATE SCHOOL
The following candidates will be presented by Vice President of Research and Dean of the Graduate School Howard Grimes.

DOCTOR OF DESIGN
Ahmad Abidrabbu Alhusban
M.S., M.Sc., Jordan
University of Science and Technology
Thesis: What Does the Architectural Creative Leap Look Like Through a Conceptual Design Phase in the Undergraduate Architectural Design Studio?
Major Advisor: David Wang

Ofero Abagon Caparino
B.S., M.S., Central Luzon State University
Major Advisor: Juming Tang

Shunshan Jiao
Xinxiang, Henan, China
B.E., M.A., China Agricultural University
Thesis: Development of Non-chemical Postharvest Treatments for Disinfecting Agricultural Products.
Major Advisor: Juming Tang

Fermin P. Resurreccion Jr.
B.S., M.S., University of the Philippines at Los Banos
Thesis: Microwave Assisted Thermal Processing of Homogeneous and Heterogeneous Food Packed in a Polymeric Container.
Major Advisor: Juming Tang

BOTANY

Choonseok Lee
B.Ag., Kyungpook National University
M.S., Seoul National University
Thesis: Towards Delineating Biosynthetic Pathways of Selected Medicinal Natural Products.
Major Advisor: Mechthild Tegeder

BUSINESS ADMINISTRATION

Kevin T. Chastagner
Sumner
B.A., Washington State University
Major Advisor: John B. Cullen

Chune Young Chung
Seoul, South Korea
B.B.A., University of Wisconsin—Madison
Major Advisor: Nathan Walcott

CHEMICAL ENGINEERING

Fatma Pinar Gordesli
B.S., M.S., Hacettepe University
Thesis: Investigation of Nanoscale Adhesion Abilities of Listeria monocytogenes EGDe to Model Inert Surface of Silicon Nitride Under Varying Environmental Stresses of Temperature and Ionic Strength.
Major Advisor: Nehal Abu-Lail

Fengchun Tang
B.Econ., University of International Business and Economics
M.S., Oklahoma State University
Major Advisor: Traci J. Hess

CHEMISTRY

Mark Antony Boggs
Peters Creek, Alaska
B.S., Colorado State University
Thesis: Technetium(IV) Complexation with Natural Organic Ligands.
Major Advisor: Nathalie A. Wall

Eric James Davis
Pullman
B.S., University of Portland
Major Advisor: Herbert H. Hill
Nelmi O. Devarie  
Arroyo, Puerto Rico  
B.S., University of Puerto Rico

The WWAMI (Washington, Wyoming, Alaska, Montana, Idaho) Medical Education Program is offered in partnership with the University of Washington School of Medicine and host universities throughout the five-state regional system. Students from Washington complete their first year of medical training at the University of Washington, WSU Pullman, or WSU Spokane and complete the remainder of their medical training in Seattle, Spokane, eastern Washington, or training sites throughout the WWAMI region. The WSU Pullman WWAMI program is offered jointly with the University of Idaho WWAMI program and offers first-year medical students the opportunity to train with the combined biomedical faculties and the teaching, research, and training facilities on both campuses. WSU WWAMI students also complete their first clinical training rotations with local physicians, clinics, and hospitals in Pullman and Moscow.

**Washington, My Washington**

Washington, My Washington
The Crimson and the Gray,
’Tis the songs of memory
That we sing today,
When the sad hours come to you
And sorrows ’round you play,

Just sing the songs of Washington
The Crimson and the Gray,
Just sing the songs of Washington
The Crimson and the Gray.
