Washington, my Washington, the Crimson and the Gray!

’Tis the song of memory that we sing today.

When the sad hours come to you and sorrows ’round you play,

Just sing the songs of Washington, the Crimson and the Gray!

Just sing the songs of Washington, the Crimson and the Gray!
Commencement Mission Statement

Commencement at Washington State University represents the culmination of a student’s academic achievement. It is a time for celebration and reflection for students, families, faculty, and staff. It brings together the campus community to share the joy of the accomplished goals of our students.

The commencement ceremony at Washington State University serves a dual purpose: to mark a point of achievement, thus completing a chapter in the lives of students and those who support them, and to encourage continued pursuit of learning, personal fulfillment, and engagement with their local and worldwide communities.

Today represents an impressive milestone in your life and in your academic career. I would like to extend my heartiest congratulations to you on your attainment of this goal.

At Washington State University, we strongly believe that we provide the tools necessary to help our students succeed. However, we also recognize that each student ultimately determines his or her own path. It is your hard work, determination, and persistence that have brought you to this day. You, your family, and your friends should be immensely proud of this achievement.

In the years ahead, I know you will often reflect upon what you have experienced here at WSU. Graduation opens the door for you to put to use what you have learned in your classes, laboratories, internships, and campus life. You now have the opportunity to make a difference in the world. Take advantage of it.

Again, congratulations. I wish you every success and trust that you will remain connected to WSU, your alma mater. You will always be a member of the loyal Cougar family.

It is an honor to preside at your commencement. I look forward to shaking your hand and wishing you well after you receive your diploma cover.

Elson S. Floyd, Ph.D.
President, Washington State University
President’s Ceremonial Stole

Presented to President Elson S. Floyd during his first commencement ceremony at Washington State University in fall 2007, the ceremonial stole signifies the ethnic diversity the University seeks in all its endeavors and displays a dynamic visual presentation. Researched and designed by faculty member Linda Arthur Bradley with contributions from apparel, merchandising, design, and textiles students, the stole is made of textiles from locations including Ecuador, India, Scotland, and Japan. Many came from personal collections of Bradley or her colleagues, some were available commercially, and four were hand-woven by fiber artists specifically for the stole.

Master Salish weaver Susan Pavel hand-spun and wove two pieces of traditional Indian design. Other custom pieces include a Hawaiian hand appliqué by Charlotte Hughes, an American coverlet sampler by Cynthia Hosek, and embroidered pieces representing the Nez Perce tradition by Ann MacCormack.

President’s Chain of Office

During commencement ceremonies and other special occasions, the president of Washington State University wears the President’s Chain of Office. The medallion features the WSU shield with Cougar head, and the links are engraved with the names and dates of service for each past WSU president, starting with George Lilley, who served from 1891 to 1892, and ending with V. Lane Rawlins, who served from 2000 to 2007. Blank links allow engraving of names and service years for future presidents.

The Chain of Office was created at the request of V. Lane Rawlins, who became president of WSU on June 8, 2000. He wore it for the first time during his inauguration on March 28, 2001.
I’m thrilled to congratulate all of you on earning your degrees.

The 2012 census showed that only about 30 percent of all Americans have a bachelor's degree, 11 percent have a master's degree, and 2 percent have a professional or doctoral degree. What you’ve done puts you into an elite group. I’ve had the good fortune to have a number of you in class, and I always enjoy seeing familiar faces step up to receive a diploma.

I’m especially excited that so many of you are first-generation college students. I am one as well, so I understand the challenges one faces in going to college without family members who can help prepare you for the experience. I was able to succeed in part because, like you, I went to land-grant schools (Michigan State undergrad, Illinois graduate) that understood my needs as a first-gen student; like you, I had high school teachers, professors, and family friends that pointed me in the right direction; and most of all like you, I had family members who wanted the best for me. I repay them by doing for others what they did for me. Now you have a responsibility to do the same. Be there for the young people coming after you who need guidance. And as soon as you can, go thank all of the people, in person, who put you on this path.

Come say hi to me after the ceremony.

Graduates,

Commencement day is finally here, a day I am sure most of you have anxiously awaited! On behalf of the administrative professional staff at Washington State University I would like to commend you on this significant accomplishment. We applaud each and every one of you!

For some of you, graduation marks the end of your academic career, for others it is a stepping stone to bigger and better things. Whatever your future holds, please know we were happy to serve you and wish you the best in your future endeavors.

Welcome to the ranks of the Cougar Alumni, and Go Cougs!

To the Graduates of the Class of 2015,

On behalf of your student governments, the Associated Students of Washington State University, the Associated Students of Washington State University Global Campus, and the Graduate and Professional Student Association, we offer each and every one of you our sincere congratulations on graduating today from Washington State University. It is an honor to recognize the sum of your efforts as a student here at this esteemed institution.

You deserve praise for your efforts over these last several years and we celebrate these achievements today. You have worked diligently in reaching this milestone—but remember to acknowledge those individuals who have contributed to your success. Today you earn a valuable tool, a degree from one of the finest universities in our nation, and now it is your responsibility to use that tool to shape the rest of your lives. A degree from Washington State University is something to be extremely proud of and we have every confidence that you are prepared to encounter any joys and challenges that may come your way. The experiences you have gone through as a Coug are what make each one of you world class. As you move on from Washington State University do not turn your back, but rather remember that WSU will always be here for you and will always be a place that you can call home. We encourage you all to stay engaged with the Cougar community for the rest of your lives.

It has been an unbelievable honor serving all of you this year and we wish you the best of luck in your future. Once again, congratulations on earning your degree and we at ASWSU, ASWSUG, and GPSA wish you all the best with your new beginnings. As always, Go Cougs!

ACADEMIC REGALIA

Academic regalia arose through evolution and modification of the robes worn by medieval students, who were usually clerics in the cathedral schools and monasteries established by the church. As early as 1321, a medieval statute required that all doctors, licentiates, and bachelors wear academic gowns and hoods. Gowns were necessary for warmth in the unheated medieval buildings, and hoods may have been designed to cover tonsured heads. Today, immediately after receiving a charter, new institutions adopt a distinctive design for academic attire expressive of their individuality.

On May 26, 1895, a group of institutional representatives met at Columbia University to establish a uniform code for academic regalia in this country.

The approved academic attire for all graduates is composed of a cap and gown. For master’s and doctoral graduates, a hood is included. The basic article of attire is the gown, usually black in color, and similar in design for all degrees with the sleeves being the principal indicator of degree level. Gowns for those graduating with a bachelor’s degree have pointed sleeves; the sleeves on master’s gowns arc away at the front; and doctoral gowns have round, bell-shaped sleeves. Bachelor’s and master’s gowns are untrimmed while doctoral gowns feature distinctive velvet facing down the front and three velvet bars on each sleeve.

The hood has become the colorful standard-bearer of academic symbolism. By examining the hood, an informed observer should be able to identify the degree level, the academic field of study in which the degree was earned, and the institution that conferred the degree. The hood is made of the same material as the gown. Hood length varies according to degree: bachelor’s—three feet, master’s—three and a half feet, and doctor’s—four feet in length and has panels at the sides. The color or colors of the hood lining indicate the institution that conferred the degree (crimson and gray for WSU). The hood is trimmed or edged in a border of velvet either two, three, or five inches in width for the respective degrees. The border color represents the faculty or field of study in which the degree was awarded. At WSU, bachelor’s degree candidates do not wear hoods.

The approved cap of the academic costume is the mortarboard or Oxford cap—a stiff board nine inches square, placed on a soft cap and joined in a pointed design in front and back. The color is always that of the gown and uniformly black for the four-year degrees. The use of velvet has been reserved for the cap of the doctor’s degree. A silk cord with a tassel made of many threads is attached to a button in the center of the board.

A distinctive commencement rental gown for students earning Ph.D. and Ed.D. degrees debuted in spring 2012. The gown is crimson with gunmetal-gray velvet accents and a matching velvet tam. WSU is the only university with a custom rental gown. The purchased version of the custom gown became available in fall 2012 and is designed with a split hood, two silver WSU shield medallions holding the hood in place, two WSU medallion cufflinks on each sleeve, and other embellishments.

For more on academic regalia visit www.acenet.edu/resources/regalia.

The committee of the American Council on Education on its “Academic Costume Code” states the following:

For all academic purposes— including trimming of doctor’s gowns, edging of hoods, and tassels of caps—the colors associated with the different subjects are as follows:

- Agriculture: Maize
- Arts, Letters, Humanities: White
- Commerce, Accountancy, Business: Drab
- Communication: Crimson
- Dentistry: Lilac
- Economics: Copper
- Education: Light Blue
- Engineering: Orange
- Fine Arts including Architecture: Brown
- Forestry: Russet
- Home Economics: Maroon
- Law: Purple
- Library Science: Lemon
- Medicine: Green
- Music: Pink
- Nursing: Apricot
- Oratory (Speech): Silver Gray
- Pharmacy: Olive Green
- Philosophy: Dark Blue
- Physical Education: Sage Green
- Public Administration, including Foreign Service: Peacock Blue
- Public Health: Salmon Pink
- Science: Golden Yellow
- Social Work: Citron
- Theology: Scarlet
- Veterinary Medicine: Gray

COMMENCEMENT 2015

Washington State University, on the occasion of its 119th annual spring Commencement, cordially welcomes all those who have come to the Pullman campus to share in ceremonies honoring the graduating class of 2015. To class members, the Class of 2015, the University extends sincere congratulations.

WSU enrolls 28,686 students statewide. This includes 19,846 undergraduates and 4,150 graduate and professional students learning at the Pullman and Spokane campuses or through distance education. At the Tri-Cities and Vancouver campuses, 4,690 undergraduate, graduate, and professional students are enrolled.

Commencement is the special occasion that provides public recognition of students' academic achievements. The transcript is the official document certifying the successful completion of specific academic requirements. The diploma is mailed after the ceremony.

The first WSU Commencement, held June 24, 1897, recognized eight students being advanced to degrees—three in engineering, one in biology, two in economics, and two in English. This followed a legislative act in 1895 empowering the college to grant the usual academic and honorary degrees and issue diplomas. With the construction of Bryan Hall in 1909, Commencement moved to the well-equipped Bryan Auditorium. Enrollment and the number of degree candidates increased over the years, and Commencement moved to Bohler Gymnasium following its construction in 1928. Following World War II and the burgeoning enrollment created by the return of students receiving veterans’ benefits (G.I. Bill), Commencement was moved outdoors to Rogers Field in the football stadium (1949-1973). Because it was always possible that inclement weather would disrupt the ceremonies, it was necessary to duplicate arrangements in Bohler Gymnasium. However, only twice in those years—1954 and 1963—was it necessary to move the outdoor ceremony indoors. In 1973, with the completion of Beasley Performing Arts Coliseum, Commencement moved indoors permanently.

In 1986, the University’s Commencement Committee recommended decentralizing Commencement to make the event more personal for graduating students. The WSU administration approved, and from 1986 through 1996, an All-University Commencement Assembly was held in the coliseum, and individual college ceremonies took place in the coliseum, Bohler Gymnasium, Bryan Auditorium, Compton Union Building Ballroom, and Hollingbery Fieldhouse. Beginning with the 100th Commencement in May 1996, the college ceremony times were changed to allow some to precede the All-University Assembly. In 1998, due in part to construction in Bohler, the administration approved a Commencement Committee recommendation to hold two ceremonies. Starting in 2000, a three-ceremony format (two ceremonies in the morning and one in the afternoon) was instituted. There was a historic Commencement change during the

Within academic areas on either side of the floor, the names of the degree recipients are called in random order as they approach the readers. Students will be viewed on big screens via video as their names are read.

Appearance of a name in this program is presumptive evidence of graduation and graduation honors, but it must not in any sense be regarded as conclusive. Notation on the university transcript remains the official testimony of degree possession.

Names in this program include May 2015 graduate and undergraduate applicants and August 2015 undergraduate applicants who applied by the May 2015 application deadline. August 2015 undergraduate applicants who did not meet the May application deadline and all August graduate applicants will be listed in the fall 2015 commencement program. This program is not a listing of those attending the spring ceremony.

2001–2002 academic year. For the first time, WSU held two Commencements, one during fall semester (December 15, 2001) and the other during spring semester (May 11, 2002).

This is the University’s 119th spring ceremony. President Elson S. Floyd, WSU’s tenth president, now presides over the ceremonies.

THE UNIVERSITY MACE

The University Mace, a traditional symbol of authority, will lead the processional today. The mace is carried by the chair of the Faculty Senate with an honor guard consisting of the presidents of the undergraduate and graduate and professional student associations. Craig Parks, Faculty Senate Chair, carries it today, accompanied by Jared Powell, president of the Associated Students of WSU, and Nathan Neale, president of the Graduate and Professional Student Association of WSU.

Created in 1985, the two-foot-long, nine-pound scepter is cast in silver and bronze and features a globe atop a laurel branch, wrapped in a silver ribbon and inscribed “Washington State University.” According to designer and craftsman Tim Doebler of WSU’s Department of Fine Arts, “the globe represents the universality of education and the quest for knowledge. Laurel crowns were presented to academicians by the ancient Greeks.”

The anvil on top of the globe is a symbol of forging and molding education, rather than forcing it upon students.
Washington State University Highlights, 2011–2015

2011

• WSU sleep research was named one of the top 100 stories of 2010 for the article “Sleep Switch Found in the Brain” in the January-February special issue of Discover magazine.

• Ted Koppel, television news veteran and anchor of ABC’s Nightline for 25 years, visited the Pullman campus and was presented with the 2011 Edward R. Murrow Award for Lifetime Achievement in Broadcast Journalism.

• WSU joined state and Spokane community leaders to celebrate the groundbreaking for the Biomedical and Health Sciences Building at the Riverpoint Campus in Spokane.

• Legendary actress and comedian Betty White became an honorary Washington State University alumna. WSU Provost Warwick Bayly presented her with a white doctor’s coat at the Washington State Veterinary Medical Association’s (WSVMA) centennial gala in Yakima.

• Mike Leach was named the Cougars’ head football coach. Leach brings a proven record of winning to Pullman, including 10 bowl bids in 10 seasons.

2012

• Washington grape growers and wine makers made a $7.4 million commitment to support a new Washington State University Wine Science Center, planned for construction in the Tri-Cities.

• The College of Liberal Arts and the College of Sciences merged to form the College of Arts and Sciences.

• The Paul G. Allen Center for Global Animal Health was formally dedicated in Pullman. The research facility houses a state-of-the-art infectious disease research center for investigating emerging diseases throughout the world.

• New premium seating and a new press box opened on the south side of Martin Stadium, marking the conclusion of an $80 million construction project.

• Veteran journalist Dan Rather was honored at the 38th Edward R. Murrow Symposium at WSU Pullman.

• Emile C. (Mel) Netzhammer III, who has served as provost and vice president for academic affairs for Keene State College since 2006, was named the new chancellor of Washington State University Vancouver.

• Demolition began on the Hollingbery Fieldhouse Annex to make way for construction of a new $61 million football operations building. The new facility will serve as a home for the Cougar football program.

• The University established a new tradition in September, selecting an official WSU tartan after 34,000 votes were cast by the Cougar Nation. WSU tartan merchandise, including ties, scarves, and other products, are available.

2013

• The new Brelsford WSU Visitor Center in downtown Pullman, near Reaney Park, was dedicated. The facility serves as the University’s new “front door,” providing a welcoming environment and information about WSU to its guests.

• The new $96 million Veterinary Medical Research Science Building opened its doors. The facility houses state-of-the-art biomedical research laboratories and offices for the health science teaching and research programs.

• Football fans welcomed the arrival of one of the few high-definition video display scoreboards in college football. Located at the east end of Martin Stadium, it measures 73 feet wide and 36 feet high—more than double the size of the previous board.

• Three hundred students moved into the new $32.6 million Northside Residence Hall, the second new residence hall constructed on the Pullman campus since the early 1970s.

• The Federal Aviation Administration selected WSU and the Massachusetts Institute of Technology (MIT) to co-led the new Center of Excellence for Alternative Jet Fuels and the Environment. The center aims to foster a new industry focused on developing alternative jet fuels.

• The Cougar family lost one of its most beloved leaders with the passing of Dr. Glenn Terrell, who served as WSU president from 1967 to 1985. He was 93.

• In the fall semester, a full third of the freshman class came from ethnically diverse backgrounds, up from 12 percent just five years ago. Ethnic minorities represented a quarter of the total WSU Pullman student population—the largest percentage in university history.

2014

• Diane Nash—Freedom Rider, sit-in leader, and key architect of the 1960s civil rights movement—spoke on the Pullman campus in commemoration of Dr. Martin Luther King Jr. Day.

• World-renowned poet, writer, commentator, activist, and educator Nikki Giovanni lectured on the Pullman campus. She has authored more than 30 books and is one of the most widely read American poets.

• For the second year in a row, U.S. News and World Report ranked Washington State University among the top 10 best online graduate business programs for its MBA and Executive MBA degrees.

• The University broke ground for the construction of a new $52.8 million, 96,000-square-foot interdisciplinary clean technology laboratory. The facility will house science and engineering programs and help address a variety of global and environmental challenges.
• Blended Learning, the first in a series of wines created by students in WSU’s viticulture and enology program, was introduced. The University has partnered with the state’s winemakers and grape growers to help Washington become the second-largest wine producing state in the country.

• The first 23 students in the University’s mechanical engineering program at WSU North Puget Sound at Everett received their diplomas in May. The program in Everett was launched as part of a state initiative to increase the number of engineering and computer science students and graduates.

• A team of WSU student interns spent the summer working in communities devastated by the March mudslide in Oso along State Route 530.

• The Cougar football program’s new $61 million football operations building opened its doors in time for the first home game of the 2014 season.

• The Daily Evergreen, the WSU student-produced newspaper, was named the best all-around campus newspaper in the Northwest at the annual regional conference of the Society of Professional Journalists.

• Smithsonian Magazine presented Michael Skinner, a WSU professor of biological sciences, with an American Ingenuity Award for his pioneering work in the field of transgenerational epigenetics.

• A research team led by professors Su Ha and M. Grant Norton developed the first fuel cell that can directly convert fuels, such as jet fuel or gasoline, to electricity.

• The building that houses broadcast news facilities in the Edward R. Murrow College of Communication was dedicated to legendary sports broadcaster, journalist, and WSU alumnus Keith Jackson (’54).

• The Board of Regents approved renaming two of the University’s colleges to recognize alumni. The College of Business became the Carson College of Business, and the College of Engineering and Architecture became the Voiland College of Engineering and Architecture. The names honor lifetime contributions that Scott and Linda Carson and Gene and Linda Voiland have made to the colleges, to the university, and to their respective industries.

• The Board of Regents directed university leadership to pursue approval for an independently accredited medical school at WSU Spokane. Leaders of WSU and the University of Washington agreed to dissolve their partnership for remote-site medical education for Washington, Wyoming, Alaska, Montana, and Idaho (WWAMI). Through that partnership, WSU had provided education to first-year medical students for more than 40 years.

• A new Washington State Connections store opened in downtown Spokane. It joins two other Connections stores in the state: one in Seattle and another in Everett.

• Larry W. (Chip) Hunter, a scholar of human resource management and industrial relations, was named the new dean of the Carson College of Business. Dr. Hunter was the senior associate dean of the Wisconsin School of Business at the University of Wisconsin-Madison.

• The Washington State Legislature voted to change a 1917 law limiting the delivery of medical education to the University of Washington. The legislative action clears the way for WSU to seek an independently accredited medical school at its health sciences campus at Spokane.

• On May 9, 2015, one of the best groups of students ever in the history of Washington State University graduated during the annual Commencement ceremony in Beasley Coliseum.
Dr. Geoffrey Gamble, who retired in 2009, is currently president emeritus and professor emeritus at Montana State University and is teaching linguistics courses in the anthropology department. From 2011 to 2014 he served in various roles at the University of North Texas including vice president for strategy and operations, vice president for research and economic development, and senior vice provost.

Gamble became the 11th president of Montana State University in December 2000. Prior to Montana State, Gamble was the provost and senior vice president at the University of Vermont and served as chief academic and operating officer. He was responsible for the annual budget, operations of academic colleges (including the College of Medicine) and academic/support units, institutional planning, and providing interface and staff support for the UVM Board of Trustees.

Prior to his service at the University of Vermont, Gamble was at Washington State University where he rose through the ranks to professor of anthropology. During his tenure at WSU, Gamble served as interim provost for one year, vice provost for five years, and held other administrative posts including department chair, director of the Museum of Anthropology, and director of Summer Session.

Gamble is the author of two books and a dozen articles on Native American languages and has presented numerous scholarly papers. He is currently completing a dictionary of the Wikchamni language. He has been awarded grants from the National Endowment for the Arts and the National Endowment for the Humanities as well as other organizations and has received service awards from the State of Washington, WSU, the State of Montana, and MSU. Gamble holds a bachelor's degree in English from Fresno State College, a master's degree in linguistics from California State University, Fresno, and a doctorate in linguistics from the University of California, Berkeley. He spent a year as a postdoctoral fellow at the Smithsonian Institute.
Brad Tilden is the chief executive officer of Alaska Air Group and its two subsidiaries, Alaska Airlines, the nation’s sixth-largest carrier, and Horizon Air, its regional affiliate. The two airlines employ nearly 13,000 people and fly more than 180 aircraft to some 100 destinations throughout the United States, Canada, and Mexico. Alaska was recently added to the Fortune 500.

Under the leadership of Tilden and his team, Alaska Air Group’s focus is on providing industry-leading customer service, offering low fares, steadily growing its route network, making Alaska and Horizon the easiest airlines to fly, and building a sense of teamwork and alignment among its employees. Alaska’s people earned recognition for ranking highest in customer service among traditional carriers for seven consecutive years by J.D. Power & Associates, ranked number one in on-time performance for four consecutive years by FlightStats.com, and received other honors for their philanthropy, community service, and environmental stewardship. In 2013, the International Council on Clean Transportation named Alaska the most fuel-efficient airline in the United States. In addition to these achievements, Alaska Air Group become one of the nation’s most profitable airlines.

Tilden previously served as president, executive vice president of finance and planning, chief financial officer, and corporate controller of Alaska Air Group or Alaska Airlines. Before joining the company in 1991, he spent eight years with the accounting firm Price Waterhouse in its offices in Seattle and Melbourne, Australia.

Tilden earned a bachelor’s degree in business administration from Pacific Lutheran University and an executive master’s degree in business administration from the University of Washington. He also holds a private pilot’s license with an instrument rating.

Tilden serves on the boards of Pacific Lutheran University, the Boy Scouts of America, and the Washington Roundtable (where he is vice chair). He recently completed a term as president of the Chief Seattle Council of the Boy Scouts of America.

Introduced to aviation early in life, Tilden grew up a few miles from Seattle-Tacoma International Airport, where he loved to watch Alaska jets take off and land. A resident of Seattle, he is married and has three daughters. In addition to spending time with his family, he enjoys cycling and flying his Cessna 182.
COMMENCEMENT SPEAKER, 3:00 P.M. CEREMONY

Dr. Mimi Healy is currently the president and CEO of Lasergen, a start-up biotechnology company focused on developing chemistries for next-generation sequencing and cutting-edge medical diagnostics. She leads all aspects of strategy and implementation, corporate finance and fundraising, and product development from research to clinical validation. The company is now in late-stage development of a system that is anticipated to aid in lowering the cost and increasing the accessibility of personalized medicine, particularly in the area of reproductive health and oncology.

Prior to her role at Lasergen, she joined Bacterial Barcodes as chief scientific officer. With an interest in combating deadly hospital-acquired infections, she developed a system combining molecular biology and instrumentation, and introduced a novelty to the clinical market—web-based software for a medical diagnostic system. Promoted to CEO, she secured financing and drove international commercialization, culminating in a profitable exit via acquisition by a billion-dollar healthcare company. She then led the transition of the product line which included world-wide responsibilities and an appreciation for other countries’ healthcare systems.

Healy’s experience includes several positions as a developmental scientist and managing product commercialization in startup biotech companies. Her career began with an industrial postdoctoral position where much of her training took place in Belgium.

Healy was raised in Kirkland, Washington, and spent her youth riding horses, playing sports, and participating in 4-H clubs. She spent much of her career traveling and now resides in Texas. She appreciates both the experience and the education she received from WSU, which has served her well on a successful journey in a non-traditional role as a scientist, executive, and woman CEO in the biotechnology industry.

She serves on several grant review boards and academic advisory committees, has published in various scientific journals and authored multiple book chapters, and is an inventor on several patents. Healy holds a bachelor’s of science degree in biology with a minor in chemistry and a bachelor’s of arts degree in psychology of industry and organizations from Central Washington University. She received a master’s degree in biology and a doctorate in microbiology from Washington State University.
Candidates for Advanced and Professional Degrees

Names in this program include May 2015 graduate and undergraduate applicants and August 2015 undergraduate applicants who applied by the May 2015 application deadline. August 2015 undergraduate applicants who did not meet the May application deadline and all August graduate applicants will be listed in the fall 2015 commencement program. This program is not a listing of those attending the spring ceremony.
Candidates for Advanced Degrees

THE GRADUATE SCHOOL

The following candidates will be presented by Dean of the Graduate School William Andrefsky.

Doctor of Education

Kathleen Chatfield
B.A., Arizona College of the Bible
M.Ed., Oregon State University
Thesis: The Faculty Experience of Structured Hybrid Course Design and Its Effect on Student Learning.
Major Advisor: Richard Sawyer

Jennifer Bethman
B.A., Illinois State University
Major Advisor: Kristin Huggins

Aaron Dahlgren
B.A., M.I.T., Whitworth University
Thesis: Culturally Responsive Classroom Management.
Major Advisor: Richard Sawyer

Heather Fowler
B.A., Washington State University
M.I.T., City University Thesis: TPEP Implementation and Changing Practice.
Major Advisor: Richard Sawyer

David Hammond
B.A., Washington State University
M.Ed., University of Washington
Major Advisor: Kristin Huggins

Jared Hoadley
B.A., Whitworth University
M.Ed., Gonzaga University
Major Advisor: Gordon Gates

Craig Meador
B.S., Western Oregon University
M.S., Portland State University
Thesis: Meeting the Needs of Visually Impaired Students in Washington State.
Major Advisor: Kristin Huggins

Joshua Meek
B.A., Washington State University
M.Ed., University of Puget Sound
Major Advisor: Gordon Gates

Carole Meyer
B.A., Eastern Washington University
M.Ed., Whitworth University
Major Advisor: Gail Furman

Teresa Ohrt
B.S., Oklahoma Wesleyan University
M.A., University of Northern Iowa
Major Advisor: Tamara Nelson

Kevin Peterson
B.A., Whitworth University
M.Ed., Lesley University
Major Advisor: Gordon Gates

Keith Reyes
B.A., Howard Payne University
M.A., University of Texas-El Paso
Major Advisor: Xyanthe Neider

Jenny Rodriquez
B.A., Ed.M., Washington State University
Major Advisor: Gordon Gates

Kenneth Russell
B.A., M.A., Whitworth University
Thesis: Collective Mindfulness on Improving Instruction.
Major Advisor: Gordon Gates

Dan Sakaue
B.S., M.S., University of Oregon
Major Advisor: Paul Goldman

Wendy Watson
B.A., Eastern Washington University
M.A., Gonzaga University
Major Advisor: Gordon Gates

Doctor of Nursing Practice

Timothy Blanscett
B.S.N., Washington State University
Major Advisor: Karen Caines

Bart Brinkmann
B.S.N., Lewis-Clark State College
Major Advisor: Linda Ward

Jill Carter
B.S.N., Walla Walla University
M.Nurs., Washington State University
Major Advisor: Linda Eddy

Chelsea Draper
B.S., Washington State University
Major Advisors: Cynthia Fitzgerald and Linda Eddy

Cathy Mitchell
B.S., Chapman University
B.S., M.Nurs., Medical University of South Carolina
Major Advisor: Catherine Van Son

Caitlin Shino
B.S.N., Washington State University
Major Advisor: Cynthia Fitzgerald

Kristy VanHook
B.S.N., Washington State University
Major Advisor: Linda Ward

Kelsey White
B.S.N., Washington State University
Major Advisor: Janet Purath

Doctor of Philosophy

AMERICAN STUDIES

Darrell Hogge
B.A., Washington State University
Thesis: People Returning to the Reservation.
Major Advisor: John Streamas
ANIMAL SCIENCES
Christopher Gambino
B.S., North Carolina State University
 Major Advisor: Kristen Johnson

ANTHROPOLOGY
Sarah Council
B.A., M.A., University of Arkansas
 Thesis: Overweight and Obesity Among Women in Rural Dominica.
 Major Advisor: Marsha Quinlan

James Dolan
B.A., University of British Columbia
 M.A., Washington State University
 Thesis: Economics and Inequality in a Marpole Community.
 Major Advisor: Colin Grier

Louis Fortin
B.A., M.S., University of Maine
 Thesis: Wari Lithic Networks: An Examination of Stone Tool Use at Cerro Baul and Cerro Mejia.
 Major Advisor: Andrew Duff

Lyle Nakonechny
B.A., Whitman College
 M.A., Washington State University
 Major Advisor: Robert Ackerman

Adam Rorabaugh
B.A., Washington State University
 M.A., Western Washington University
 Thesis: Investigating Restricted Knowledge in Lithic Craft Traditions Among the Pre-contact Coast Salish.
 Major Advisor: Colin Grier

ANOTHER SCIENCE
Casey Roulette
B.A., M.A., Washington State University
 Major Advisor: Edward Hagen

Kristin Safi
B.A., University of Denver
 M.A., California State University, Long Beach
 Thesis: Costly Signaling Among Great Houses on the Chaco Periphery.
 Major Advisor: Andrew Duff

BIOLOGICAL AND AGRICULTURAL ENGINEERING
George Mathew Neerakal
B.Tech., Kerala Agricultural University
 Major Advisor: Pius Ndewga

Sayed Hossein Sadeghi
B.S., University of Tehran
 M.S., Isfahan University of Technology
 Thesis: New Methods to Evaluate and Adjust the Design of Center Pivot and Micro-Irrigation Laterals for Improved Uniformity.
 Major Advisor: R. Troy Peters

Yi Wei
B.E., Zhejiang University
 Major Advisor: Hanwu Lei

BORDERLINE ADMINISTRATION
Jonathan Jackson
B.S., Washington State University
 Major Advisor: Charles Munson

Sakdipon Juasrikul
B.A., Thammasat University
 M.B.A., Chiang Mai University
 Thesis: Cultural and Institutional Context, Entrepreneurship and International Venturing.
 Major Advisor: Arrvind Sahaym

Sangyoun Lee
B.B.A., Korea University
 M.S., Korea Advanced Institute of Science and Technology
 Thesis: Three Essays on Foreign Firms Capital Raising and Their Survival in the US.
 Major Advisor: John Cullen

Chang Liu
B.E., M.S., Hunan University
 Thesis: Essays on Corporate Governance.
 Major Advisor: Donna Paul Munson

Richie Liu
B.S., Santa Clara University

These students from the University of Washington School of Medicine’s WWAMI (Washington, Wyoming, Alaska, Montana, Idaho) Medical Education program spent the first year of their training in Pullman, in conjunction with the University of Idaho WWAMI program. The first-year students from the two programs share the combined biomedical faculties and the teaching, research, and training facilities on the two campuses. They also complete their first clinical training rotations with local physicians, clinics, and hospitals in Pullman and Moscow.
Candidates for Baccalaureate Degrees

Names in this program include May 2015 graduate and undergraduate applicants and August 2015 undergraduate applicants who applied by the May 2015 application deadline. August 2015 undergraduate applicants who did not meet the May application deadline and all August graduate applicants will be listed in the fall 2015 commencement program. This program is not a listing of those attending the spring ceremony.

Washington, my Washington, the Crimson and the Gray!

'Tis the song of memory that we sing today.

When the sad hours come to you and sorrows 'round you play,
Just sing the songs of Washington, the Crimson and the Gray!
Just sing the songs of Washington, the Crimson and the Gray!
