PRESIDENT
WASHINGTON STATE UNIVERSITY

CONGRATULATIONS, AND BEST WISHES

Dear Graduates:

Although the manner of celebrating your graduation may look a little different than anticipated due to the impact of the COVID-19 virus, know that our enthusiasm about your accomplishments and achievement of this life milestone has never been greater.

Indeed, the Class of 2020 has demonstrated without a doubt the resiliency and can-do attitude that Cougs are known for worldwide. You have adapted, persevered, and succeeded in the face of this historic pandemic, demonstrating to all that the resolve of Cougs is unbreakable in the face of life's challenges.

On behalf of the faculty, administration, and staff of Washington State University, congratulations. Earning a college degree is a tremendous life triumph—and you, your family, and your friends should be immensely proud.

As you transition to the next stage in your life, I hope you will stay connected to WSU. You can count on Cougs everywhere to support you throughout your professional and personal journey in the years ahead.

Best wishes, and Go Cougs!

A handwritten signature in black ink that reads "Kirk H. Schulz".

Kirk H. Schulz, President
Washington State University

WSU PRESIDENT KIRK SCHULZ

Kirk Schulz is nearing the completion of his fourth year as president of Washington State University. He became the 11th president of WSU and a tenured professor in the Gene and Linda Voiland School of Chemical Engineering and Bioengineering on June 13, 2016, after a seven-year tenure as the president of Kansas State University.

President Schulz is leading a major institutional initiative to make WSU one of the nation's top 25 public research universities by 2030. The Drive to 25 will create a transformative educational experience for students and accelerate development of a preeminent research portfolio.

Maintaining the momentum of the Elson S. Floyd College of Medicine is another of the president's top priorities. The college welcomed its second class of 60 medical students last August, marking another milestone in the University's efforts to change the face of health care in Washington.

LEGISLATIVE AFFAIRS

To the Fall Graduates of the Class of 2020,

On behalf of your student governments, the Associated Students of Washington State University, the Associated Students of Washington State University Global, and the Graduate and Professional Student Association, congratulations on reaching this amazing milestone and graduating from Washington State University! We would like to take a moment and applaud you on this remarkable accomplishment. All of the struggles, successes, and self-discovery over the years have amounted to this moment of reflection and celebration. You have worked hard to be sitting where you are today, so carry your degree with pride!

Throughout your time at WSU, we hope that you took advantage of the student involvement activities, research opportunities, and student services offered in addition to your academics. This well-rounded educational experience is unique; we encourage you to spread this knowledge and allow it to guide you as you make your contributions to the world.

Commencement marks one of the most joyous landmarks in your academic path. Reflect on your journey to today, and dream of where you will go. While you may feel you are being ejected into a world of uncertainty, your time here at Washington State University has equipped you to navigate the challenges that lie ahead. Your path to graduation is proof that you have developed the resilient characteristics of a WSU Cougar, especially in a year with as many unpredictable challenges as this one. As you move forward to your next endeavors, remember that Washington State University will always be your home. We encourage you to remain engaged with fellow Cougars as an active alumnus. Stay connected with the friends and faculty who impacted your experience at WSU. Most importantly, remember that commencement represents the beginning of a new journey, just as promising as the last.

ALMA MATER

Washington, my Washington,
the Crimson and the Gray!

'Tis the song of memory
that we sing today.

When the sad hours come to you
and sorrows 'round you play,

Just sing the songs of Washington,
the Crimson and the Gray!

Just sing the songs of Washington,
the Crimson and the Gray!
